2023 NCEEER Title VIII Competitions

LETTER OF RECOMMENDATION FORM

Applicant’s Name

Applicant’s Institution

Project Title

*The applicant listed above is applying for funding through the NCEEER National Research Competition or Dissertation Completion Grant Program. Please provide a clear assessment and evaluation of the proposed project, ability of the scholar or researcher to conduct the study, feasibility of project completion, importance of the project to the field, and any other additional information you would consider helpful to the review and selection process. **If you are writing more than one letter of recommendation for applicants to this competition, it would be useful for the NCEEER peer review consideration if you could please rank order the proposals according to your evaluation of their fundability.***

*Submit this form along with your letter. **Please note that all letters of recommendation must include a physical or digital (electronic) signature.** You may use the signing feature in Adobe Acrobat or Acrobat Reader to create a digital signature and sign this document. Alternatively, you may print this form; sign it; and scan it along with your letter into a single PDF file. If you are unable to sign and submit this form electronically, please print and either fax or mail it, following the directions listed below.*

*You have two options for submitting your letter: 1) E-mail the letter to apply@nceeer.org with the subject line, “Letter of Recommendation for [Applicant Last Name]”; 2) Mail or fax the letter to the address/fax number listed at the top of this form; if mailing the letter, please enclose it in a sealed envelope with your signature written across the flap. **All letters of recommendation must be received by DECEMBER 31, 2022.***
